

The book cover features a textured, light-colored background with three horizontal strands of barbed wire. In the foreground, there are black silhouettes of people with their arms raised. One person on the left is making a peace sign, while another on the right has their arm raised straight up. Behind them is a large, hand-painted flag with a red field and a green field. On the left side, there is some faint, handwritten Arabic text. The overall style is that of a hand-drawn or painted illustration.
